# PREDI SON JAUMELL

---

GIRÓ ROS & CABERNET SAUVIGNON

## Nuestros vinos

**De las viñas de nuestra finca, a la mesa.**

Un proceso cuidado de cultivo, selección y recogida no mecanizada de la uva, en el que también protegemos el entorno embotellando con cristal, papel y corcho reciclado. Viticultura tradicional con la que creamos tintos y blancos que son la mejor compañía para los deliciosos platos de esta carta.

## Our wines

**From the vineyards of our finca, to the table.**

A careful process of cultivation, selection, and non-mechanized harvesting of the grapes, in which we also protect the environment by bottling with glass, using recycled paper labels, and using cork. Traditional viticulture, with which we create reds and whites, is the best company for the delicious dishes on our menu.

## Unsere Weine

**Von den Weinbergen unserer Finca direkt auf Ihren Tisch.**

*Ein sorgfältiger Kultivierungsprozess mit handgelesener Traubenernte, umweltschonend, da wir in Glasflaschen abfüllen, die Etiketten mit Recyclingpapier erstellen und Korken benutzen. Traditioneller Weinbau, mit dem wir Rot- und Weißweine kreieren, die die besten Begleiter für die köstlichen Gerichte auf dieser Speisekarte sind.*
